

Dear colleagues,

It's our pleasure to invite you to the "Athens Sports Imaging Course", held on 19-20th May 2017 in Athens, Greece.

This course addresses trained or trainee radiologists, orthopedic surgeons, sports physicians and physiotherapists with a special interest in Sports Injuries.

Lectures by both radiologists and orthopedic surgeons, experts on the field, will be provided. Furthermore, MSK Ultrasound Courses and Hands-on will take place during both days of the course.

We do hope you will enjoy both the meeting and Athens.
